Montana Health Care Programs Notice

Psychiatric Residential Treatment Facilities (PRTF) and Therapeutic Youth Group Homes (TGH)

Important PRTF Reminders

Remember, if a youth is admitted to your PRTF or TGH from another state, an approved *Interstate Compact on the Placement of Children* (ICPC) is required prior to their placement in your facility.

If a youth is admitted from another state, the youth's Medicaid eligibility is based on the parent or legal guardian's state of residence, and not the youth's treatment or presence in the PRTF or TGH; this would include youth receiving Supplemental Security Income (SSI) benefits.
